

Now you get style & safety.

***The Taurean® Classic
Sectional Garage Door.***

Silk

Show your sense of style by choosing a distinctive and highly innovative Taurean® Door System for your garage. Whether it's a sectional door, roller door or environmentally-positive insulated panel door, a Taurean design will enhance the value and security of your home.

Safety

Taurean® Classic Sectional doors are designed with your family's safety in mind. The panels are joined in a way that prevents little fingers from getting caught. And its profile helps minimise any risk of injury.

Linea

Door innovation with Taurean style

Our Philosophy

At Taurean® Door Systems we're committed to creating an exceptional range of garage doors and have the track record to prove it.

Each door is designed to surprise with its stylish good looks and strength.

The New Classic Sectional Door Range

Taurean® Door Systems is proud to introduce the latest range of sectional doors to Australian homeowners.

The Classic Sectional Door Range is available in two styles – smooth and embossed – and four luxurious profiles. And you can select a colour to suit your home from the complete range of Colorbond® colours.

More than ever before Taurean® Door Systems leads the way with stylish design combined with exceptional quality.

Warranty

For domestic installations only, a 12 month warranty on the door excluding any corrosion due to the proximity of any salt water or if the door is not installed in accordance with

the installation instructions. For more details please refer to the Taurean Door Systems website, www.taureands.com.au

Strength

Panels are 0.6mm thick to ensure strength and uniformity. Steel hinges add strength too.

Balance

Beautifully balanced springing ensures the door runs smoothly every time, maximising its performance to 20,000 cycles – a lifetime of home use.

Precision door panels

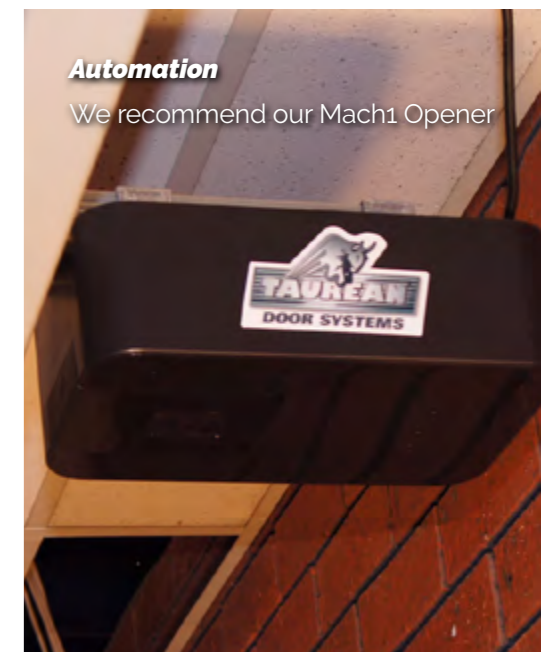

Our fully computerised manufacturing process ensures consistency. Uniform door panels are precision engineered every time.
